RJC High School Referral Program:

- The new student referral incentive awards a referring RJC High School family with a \$250 tuition credit for each new student that is referred to, enrolls in, and attends RJC High School in the 2021/22 school year, up to a maximum of \$500.00 per family
- The credit(s) will be applied in at the end of each semester, in January and June of 2022 of the 2021/22 school year
- Families who pay monthly payments will receive a credit to their accounts
- Families who pay their tuition in full before the 2021/22 school year begins will receive a tuition credit in the current year and then their overpaid tuition can be applied to the following 2022/23 school year
- There is no limit to the number of families that can be referred. However, the tuition credit is set to a maximum of \$500.00 per family
- The referral program is for parents or guardians who are paying tuition for enrolled students (Grades 10-12) at RJC High School.
- Grandparents and alumni may also participate, with awarded credit(s) being applied to a currently enrolled family's tuition
- Referring families must sign and submit a New Student Referral Form by the submission deadline of June 1, 2021
- Referrals must be acknowledged by the applying family before the new family is admitted. Referrals cannot be made retroactively – referral forms submitted after the referred families have contacted the school will not qualify for the incentive
- The referred family must follow the regular enrollment process. Final decision for student acceptance rests with RJC High School administration
- Incentive award consideration is limited to the referral of brand new families enrolling students in RJC and does not apply to students transferring or returning to RJC, nor families who have previously had students at RJC High School.
