

**COVID-19 UPDATE**  
**Saturday, April 17, 2021**

Due to the presence of COVID-19 in our school community RJC High School will move to remote learning until Friday, April 30. The dorms will remain open during this time.

Students and staff do not need to self-isolate unless they have been directed to do so by the Saskatchewan Health Authority (SHA), but we encourage all students and staff to self-monitor and call 811 if they exhibit symptoms.

Thank you for your support throughout this school year as we seek to keep our community safe. We hope to resume in-person learning Monday, May 3, and will monitor the situation closely over the next two weeks.

Feel free to contact the school at (306) 232 -4222 if you have any questions or concerns.

- Ryan Wood, Principal
