# SAFE SCHOOL PLAN

## 2021/2022

---

Updated September 13, 2021

## **RJC Safe School Plan 2021/2022**

The following plan has been developed in accordance with the province's *2021/2022 Safe Schools Plan*, and in consultation with local Medical Health Officers. This plan is intended as a starting point for the 2021/22 school year and may change, or be updated, at any time if deemed necessary.

Our goal is to keep our students and staff safe while maintaining in-person learning and school programming.

### **RJC High School's COVID-19 safety protocols are based on the province's 2021/2022 Safe Schools Plan categories, which are as follows:**

1. Safe Attendance
2. Safe Classrooms
3. Safe Access
4. Safe Transportation
5. Safe Facilities
6. Safe Activities
7. Safe Dormitories

#### **1. Safe Attendance**

- a) Students, staff and guests are required to:
  - i) Wear masks in all indoor public spaces
  - ii) Self-screen using the *RJC High School COVID-19 Health Screening Questionnaire* (see page 4)
  - iii) Stay home when sick and return once symptom free
- b) Students who are ill at school will be monitored by staff in a separate room until parents/caregivers can pick up their child
- c) Staff will support students who need to be away from face-to-face learning

#### **2. Safe Classrooms & Learning Spaces**

- a) Teachers and staff may require masks during certain outdoor activities, if deemed necessary
- b) Disposable masks will be made available at the school entrances
- c) Hand sanitizers are available in all common areas and classrooms

### **3. Safe Access**

- a) Guests are required to wear masks, and complete a *RJC High School COVID-19 Health Screening Questionnaire* before entering the building
- b) Strict student cohorts are not necessary at this time, but RJC High School may limit, or stagger, flow of students for physical distancing purposes

### **4. Safe Transportation**

- a) Masks are required for students and staff riding in RJC vehicles
- b) Sanitation of RJC vehicles will be completed by the driver after each trip

### **5. Safe Facilities**

- a) Sanitizer stations are available in all classrooms, washrooms and public entrances
- b) School-wide plan for enhanced cleaning will continue
- c) Facility rentals will resume, and follow all Public Health Orders in place at the time

### **6. Safe Activities**

- a) Sports and fitness activities; dance, drama, band, choir; extra-curricular activities and field trips; in-school presentations from external groups/ organizations; and chapel will all resume as regular activities
- b) When travelling, RJC High School students and staff will observe all COVID-19 protocols in our host organization and community, including double vaccine requirements
- c) When hosting games or tournaments with guests from other towns masks are required for everyone in the school building with the exception of athletes engaged in the sport.
- d) At this time there will be no concession or food services at games and tournaments

### **7. Safe Dormitories**

- a) Masks are required in all public spaces
- b) Sanitizer is available and proper hand hygiene is encouraged
- c) Guests in the dormitories are required to wear masks and complete a *RJC High School COVID-19 Health Screening Questionnaire* available at the dormitory entrance
- d) Dining Hall will be open for all students at lunch and after school
- e) Dining Hall staff serving and preparing food will be required to wear masks, and students will not assist with food preparation
- f) Dining Hall staff will plate food for students and plexiglass will remain in place
