- Wellness 10

**Electives (label top 5 in order of preference)**

- Concert Band 10\*
- Construction & Carpentry 10\*
- Dance 10
- Drama 10
- Theatre Arts 20
- Tourism 10
- Visual Art 10

- Driver Education 10

To be eligible for a Saskatchewan Driver's License a person must take a Driver Education course. There is no cost for this course for Saskatchewan students who are taking it for the first time. For students from other provinces, or students who need to repeat the course, the cost will be approximately \$700.

**Compulsory courses** include courses required by the Saskatchewan Ministry of Education as well as those required by RJC High School. **Recommended courses** include courses with community significance in which all RJC students are strongly encouraged to participate. Students that have already completed a compulsory credit do not need to retake the course.

A full timetable is twelve courses. Students not scheduled for a class will be assigned an Academic Preparation period (AP). Attendance at AP is mandatory and students are expected to be completing schoolwork during this time. Students at RJC are required to pick a minimum of ten courses and may only have one AP per semester.

Not all electives may work within your schedule, nor may they be offered, depending on student interest and teacher availability. Students' final timetable will be reviewed at registration day, during a meeting with students, parents and administration.

**GRADE 11**

**RJC Compulsory Courses**

- English 20
- History 20
- Christian Ethics 20

**RJC Compulsory Science course – pick at least one**

- Health Science 20  
*pre-req for Biology 30*
- Physical Science 20  
*pre-req for Physics 30 and Chemistry 30*
